BASIC STEPS in making HAIRPIN LACE

Step 1... Make a loop at end of thread (Fig. 1).

Step 2... Insert hook in loop and wind thread around right prong of staple (Fig. 1).

Step 3... Thread over hook and draw through loop, keeping loop at center (Fig. 1).

Step 4... Raise hook to an upright position with hook end down, pass hook through staple and turn staple to the left (Fig. 2). If staple is too small, drop loop from hook, turn staple, insert hook in dropped loop.

Step 5... Thread over hook and draw through loop on hook (Fig. 3).

Step 6... Insert hook in front loop of left prong (Fig. 4).

Step 7... Thread over hook and draw loop through (2 loops on hook), thread over and draw through 2 loops.

Step 8... Repeat Steps 4 to 7 inclusive until staple is filled.

Step 9... Remove all but the last 4 loops from staple and continue as before for length desired.

EASY WAY TO COUNT LOOPS: If Hairpin Lace Strip requires a large number of loops, always mark every 25th loop on each side of strip until the necessary number of loops have been made.

from * around, ending with ch 2, dc in first sc—146 loops. **18th rnd:** Ch 1, sc in loop just formed, * ch 5, sc in next loop. Repeat from * around, ending as before. **19th rnd:** Ch 1, sc in loop just formed, * ch 9, skip next loop, sc in next loop. Repeat from * around, ending with ch 9. Join. Break off and fasten. Starch lightly and press.

4th rows: Making 3 sc in center sc at base, sc in each sc to within last 3 sc. Ch 1, turn. **5th row:** Sc in each sc to base. Break off and fasten. Make a second leaf, joining it to the same picot at tip of same point as before.

Sew base of leaves to the back of each flower as shown. Make 2 leaves at tip of each large point and sew in place.

Cut a round piece of brown paper, 14½ inches in diameter—½ inch margin allowed. Stretch the background and baste outer edge through paper.

Make 6 flowers with 6 petals on each flower, omitting the joining to picot. Divide the 12th rnd of background into 6 equal parts and mark with pins. Place a flower at each pin.

FIRST LARGE LEAF Starting at center, ch 18. **1st rnd:** Sc in 2nd ch from hook and in each ch across, making in last ch, 1 sc, ch 3 for tip and 1 sc; working along opposite side of starting chain, sc in each ch across, making 2 sc in same place where first sc was made for base. Now repeat first through 5th row of Small Leaf, having 4 sc free at the end of each row instead of 3 sc. Break off and fasten at end of last row.

SECOND LARGE LEAF Work as for First Large Leaf to within the ch-3 at the tip on first rnd, ch 1, sl st in tip of First Leaf, ch 1, sc in same ch where last sc was made. Now continue same as for First Large Leaf. Make 5 more pairs of First and Second Large Leaves. Arrange leaves with tips facing outer edge and bases behind the flowers as shown and pin in place. Baste in place through the background and the paper.

SCALLOP BAND When making chain, mark every 50th ch to simplify counting. Ch 577, having 13 ch sts to 1 inch and measuring about 44½ inches. Cut padding to measure 50 inches. **1st rnd:** Working over the padding, sc in 2nd ch from hook and in each ch across. Drop padding but do not cut off. Being careful not to twist work, sl st in first sc to form ring. **2nd rnd:** Working without the padding, * sc in next sc, (skip next sc, sc in next sc) 3 times for base of scallop; sc in next sc, picot, (sc in next 5 sc, picot) 3 times; sc in next sc, 2 sc in next

sc, sc in next 3 sc, picot, sc in next 2 sc, 2 sc in next sc, sc in next 2 sc, picot, (sc in next 5 sc, picot) 3 times. Repeat from * around. Join, break off and fasten. Spread sts evenly along the padding, so that all scallops will be the same size. Cut off padding and fasten on wrong side.

Arrange band on background so that the starting chain at the base of each scallop touches the top of the 21st rnd as shown. Baste scallops through the background and the paper. Leaving the basting sts intact, tear paper away. Sew flowers, leaves and scallops securely in place. Starch lightly and press.
